Break free, time to move
They can't hold ya down, no
Friday night, dressed up
Everybody's downtown, yeah

So damn hot you can taste it
Got to move on quick ain't gonna waste it
The time is right, tonight's the night
We're the outcast zeros,
Your Rock n Roll heroes

Drop the bomb
Let it all out
Pure sonic mayhem

Drop the bomb
Shout it out loud
Pure sonic mayhem

Crazy Sue, juicy Lucy
And the misfit kids are here, yeah
Turn it up, break it down
Got the action, kick up the high gear

So damn hot you can taste it
Got to move on quick ain't gonna waste it
The time is right, tonight's the night
We're the outcast zeros,
Your Rock n Roll heroes

Drop the bomb
Let it all out
Pure sonic mayhem

Drop the bomb
Shout it out loud
Pure sonic mayhem, yeah
