I know you told your friends  
All about me  
It's love in vain, I'll set you free

You didn't break my heart  
You ripped it out  
We can't go on like this, there's no doubt

There's no reason  
To make it dirty  
It's one on one, baby  
Here we go  
I don't really want you to leave  
But I know you'll find a better man

Goodbye good luck  
Goodbye good luck

I won't see you again  
'Cause I love you to death  
Goodbye good luck, baby  
Goodbye good luck  
Gotta break the chains  
'Cause I love you to death

It's the end of the line  
There's no way back  
All that was red turns to black

Gotta blame myself  
I'm a lonesome fool  
But it's hard to play when there are no rules
