Remember how it was back in school  
Dressing outrageous and acting real cool  
We lived our life like our  
Heroes with no rules

Me and Andy had these cool guitars  
Always playing and acting like stars  
Light a smoke and heading down the bars,  
Oh Yeah

I'll never be your hometown hero  
I guess that's just the way that it goes  
You always said that I'm an out of date zero  
I guess I'm not cut out, I guess it shows

That's how it was that's how it is today  
I couldn't have done it in any other way  
If you try to change you'll  
Just end up astray

No regrets, there's no need to cry  
Break down the walls, that's me in the sky  
I won't give in at least not until I've tried,  
Oh yeah

I'll never be your hometown hero  
I guess that's just the way that it goes  
You always said that I'm an out of date zero  
I guess I'm not cut out I guess it shows
