Me haffi go, me haffi go, me haffi go now,  
Haffi run away  
Excuse me but I just can't stay  
I'm gonna run, all the day  
Forgive me but I really can't stay  
I'm gonna run thousand miles away  
Run, all the day...

(Chorus):  
Run like a fugitive  
Just a-find some positive  
Vibration, vibration  
Cause I need, I need meditation  
Just a-find my sweet  
Inspiration

Me haffi go, me haffi go...  
People don't understand,  
But I made my decision  
I'm gonna leave this land  
I'm gonna move to other region  
Move away, move away,  
Move to other region  
I'm gonna leve this land  
I'm gonna move to other region  
I see the white man hating the black,

And the black man doin' the same  
I'm going and I'll never come back, no  
I got no time to waste in their game  
I see them losing their pride  
Oh, what a disgrace!  
And if ya don't take part inna one side,  
They won't give you no place  
They won't give you no place...  
Run all the day  
Run thousand miles away

(Chorus)

Me haffi go me haffi go...  
See dem a-come come

And open their big mouth  
I know they don't know  
What they're talking about  
They're tryin'a-keep me tryin'a-keep me down  
But I keep on struggling  
I say they're tryin'a-keep me tryin'a-keep me out  
But I don't even wanna get in  
See dem a come come, see dem a come...
