Circus tonight at the old square  
Families are crushing to get inside  
Attracted by the lamps of the fair  
Impatience is rising so tide

Mr Clown's watching from behind the curtain  
Little kids eating sweets and calling "Daddy ! "  
Mr Clown's feeling the same pain again  
His hands are wet, his legs are shaky

I feel so diwn  
I can't play the clown...

Mr Clown what's wrong with you ?  
You are the star, they are waiting for you !  
Jump on the ball ! Fall on the floor !  
Lose it again and they will ask for more

Mr Clown gets on the ring  
And the children start screaming and laughing  
Mr Clown dancing on the high wire  
Children pointing at him with the finger

I feel so down  
I can't play the clown  
I feel so down  
I won't play the clown

Mr Clown what are you looking for ?  
With this light on my face I just can't find !  
Mr Clown can't speak no more  
I got so many voices talking in my mind !

You've been drinking more than what you can take  
Making all the matters worst  
You've been smoking too much to stay awake  
Mr Clown you're getting lost...

Mumbling words that we don't understand  
Rambling rambling once again  
Staggering acrobat, climbing on the counter

The audience is gone and now the show is over

Ouh ! My head...

Mr Clown turning wise in the old square

Juggling 'pon the back of pink elephant

Good friends are here with a bottle to share,

The stars and the moon are in the tent

I feel so high...

I feel so high...

I can touch the sky !
