Likka child at school must fight fi get a place

-Get a place

Dem will take you for a fool if ya can't run that race

-Run that race

Dem will take you for a fool

If ya can't run that race(bis)

Leaming the rule very early

Big fish eating down the small one

That's the way it's goin to be

And if you can't face it you'd better abandon

refrain:

No no competition

Don't tell me about it

No no no no competition

Now we must try to get away from it

While i go run i go surpass myself and nobody else

I give you the head start you set me the pace

Don't need to prove superiority

No matter if you're stronger than me

Dem will take a for a fool

If ya can't run that the race(bis)

I can reach up mister Karl Lewis

I will do my best and i just can't miss

Never get first but never give up

'Cause we're not looking for the same cup

(refrain)

People shout in the stadium

One team reach the top and one will go to di bottom

Some a dem take it very serious

Somtimes get dangerous(bis)

See that yout'man waiting' at the traffic light

Become predator when he gets on road

Go out to party as you run to a fight  
Just can't let another one pass forward

Some a dem take it very serious  
Sometimes get dangerous(bis)

(refrain)

(Merci ? ninon pour cettes paroles)
