(Chorus):

Zatla tribe is comin' downtown
Roots, rock'n'reggae big sound
Di Babylon Circus is comin' right thru
With an important message to you
Get your troubles away
We got good news today
People get ready
We come to make ya skank, skank
And a-chuck chuck chuck
We'll rock you 'til the morning
Until the sun comes rising

Heavy sound system, comin' from the mountain
Hear dis lovely riddim, ya gonna feel like jumping
jumping

Lose your sadness and forget all your weakness
Come to sing along
Ya gonna feel so strong
Ya gonna feel better

(Chorus)

Smokin' sinsemilla with my brother and my sister
Listening to reggae rocker singing 'round the corner
Say if ya don't know what to do, to make your life
go better
Just remember your roots
Roots and culture (bis)
Make it in a rub-a-dub style...
Roots, rock, reggae (2x)
Smokin' di ganja...
