Save my money  
For that plane ride  
Horn of plenty  
Heavy sunlight  
Autumn's bounty  
Bread and red wine  
In a hurry  
But there's so much time  
I will wait for you  
Growing love but like water  
Time will always slip through  
I will wait for you  
But please come soon

The wind sounds angry  
But my coat's kind  
Wrapped in blankets  
In the daylight  
Winners longing  
Some are close behind  
In a hurry  
But there's so much time

I will wait for you  
Growing love but like water  
Time will always slip through  
I will wait for you

Is it in a plan  
Written in your hand  
Believe or understand  
Something other than

Fear is blinding lights  
Squeeze my eyes so tight  
Could you make a flower grow  
Would you let me know

I will wait for you  
Growing love but like water  
Time will always slip through

I will wait for you  
But please come soon
