Fill these spaces up with days
In my room, you can go, you can stay
I can't sleep, I can't speak to you, I can't sleep
Now these years locked in my drawer

I'll open to see just to be sure
And so I'm reaching out for the one
And so I've learned the meaning of the sun
And all this like a message comes to shift my point of
view

And watching through my own light
As it tints the shade of you
Hold my wine hold it in
Nobody's lost but nobody wins

And I can't sleep, I can't speak to you, I can't sleep
And so I'm reaching out for the one
And so I've learned the meaning of the sun
And all this like a message comes to shift my point of
view

And watching through my own light
As it tints the shade of you

I can't sleep, I can't speak to you, I can't sleep
I can't sleep, I can't speak to you, I can't sleep
I can't sleep, I can't speak to you, I can't sleep
I can't sleep, I can't speak to you, I can't sleep
I can't sleep, I can't speak to you, I can't sleep
I can't sleep, I can't speak to you, I can't sleep
