While you were searching  
For your gods  
I was walking trough the dark  
Trying to find a way  
To make you stay  
With me

And I not match  
For your gods  
They have something  
I have not  
The promessa of perfect love  
That I can't be  
I loved you more  
I know that know  
You can't change Nature's wishes

Uh ah uh  
Uh ah uh

While you were searching  
For your gods  
I turned my back on hearts  
Trying to leave you be  
So you could find your way  
Back to me

Uh ah uh  
Uh ah uh
