Everytime I think of you, it always turns out good
Everytime I've held you, I thought you understood
People say a love like ours will surely pass
But I know a love like ours will last and last

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
(And everytime I think of you) Everytime
(Everytime I think of you) Every single time
(It always turns out good)

Seasons come and seasons go, but our love will never die
Let me hold you darlin' so you won't cry
Cause people say that our love affair will never last
But we know a love like ours will never pass

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
(And everytime I think of you) Everytime
(Everytime I think of you) Every single time
(It always turns out good)

People say a love like ours will surely pass
But I know a love like ours will last and last

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
And everytime I think of you, everytime I think of you
Everytime I think of you, it always turns out good

Everytime I think of you, everytime I think of you

Everytime I think of you, everytime I think of you....
