Missin' at school
Bustin' the rules
Hates everything in sight
Needs some new shoes
Dad's on the booze
She's never there
Far away kid
All on his own
Can't tell the wrong from right
Thin as a rake
Tough as a nail tonight

If you hang 'round the neck of a loser like me
There's no one else in your life
You don't need anyone
Come with me in the night
I will give you the matches
I will make you complete
Won't you please come with me
I won't ask you again

I will give you what you've been looking for

Should I take it
Should I go or should I stay?

To live by all the rules
Made by the ruling classes
So the scales of justice tip
In the favor of the government
Under this flag
We're all Union Jacks
And there's no home for the brave
And there's no way back
We are the obeyer
We are the
