Don't talk about it
Don't want to know about it
Arguing with you's no good
You'll be nobody's fool but you'll almost speak...
Don't let me know about it

Don't let me know about the 32nd of December
Oh, that's the night I'm trying so hard to forget
All you do is you come around and make me remember
What I try, oh that I, what I....

Still you talk about it
Still don't wanna know all about it

Anybody want tea?
Anybody, thank you, ah fuck me
But don't speak
And don't talk about it

Don't talk about the 32nd of December
That's the night I'm trying so hard to forget
So all you do is you phone me, and I remember

Remember what I try
That I, what I...

You know that I...
You was a stickler for manners
So don't you say goodbye
No, not to a good old friend,

I get by, please
I get by
And get by
Arggggh, so what you running from?

Still, ahh don't talk about it
Still, don't want to know about it

Don't want to know about it
The 32nd of December
That's the night I'm trying so hard to forget

All you do is come around and make me remember
Remember what I try
What I, that I...

... nice reason, I'll go
But they'll never do
They'll never do
