### **"Crumb Begging Baghead"**

Don't take me for no sunbeam  
Don't take me for a sunbeam  
Sunbeam, sunbeam

Just another faction of  
How can all the fraction of  
Now they tax you all your life

Don't take me for no sunbeam  
Don't take me for a sunbeam  
Sunbeam, sunbeam

I'm a crumb begging bag head, baby yeah  
A crumb begging bag head, baby yeah  
Bet you say that to all of the girls

And all the long lost wars  
Any cause worth dying for  
A passing bell is reused by like capital again  
Again, again, again

Don't take me for no sunbeam  
Don't take me for no sunbeam  
Sunbeam, sunbeam

I'm a crumb begging bag head, baby yeah, yeah  
A crumb begging bag head, baby yeah  
Bet you say that to all of the girls

And if you ever smile  
In a street of crocodiles  
I doubt you'd ever smile again

Don't
