It's one and the same
It's one and the same, oh

So what's the use between death and glory,
I can't tell between death and glory;
Happy endings no they never bored me
Happy endings, they still don't bore me;
But they
They have a way
A way to make you pay
And to make you toe the line

I severed my ties
Because I'm so clever
But clever ain't wise -
N' fuck forever
If you don't mind
Fuck forever
If you don't mind (don't mind I don't mind I don't mind)

What's the use between death and glory
I can't tell between death and glory
New Labour, and Tory
Purgatory and oh, happy families
One and the same, one and the same
No, it's not the same it's not supposed to be the same

You know 'bout that way

The way they make you pay
And the way they make you toe the line

I severed my ties
Oh I'm so clever, you're so clever
But you're not very nice
So fuck forever
If you don't mind
Oh I'm stuck forever
In your mind (your mind)

Well, you know 'bout the way
To make you feel like shit to make you pay

And to make you toe the line

I severed my ties

Oh and I never

Severed the ties

And fuck forever

If you don't mind

See I'm stuck forever

I'm stuck in your mind (your mind your mind your mind)

They'll never play this on the radio

They'll never play this on the radio
