I model lackluster panicky in vain search for the
remedy
No words only melody come so I take my day off my
love
My love she sits with me, I love, I love her company
Raindrops on roses and dust filled trinkets

All this washes over you, my French dog blues
Chien Bleu Chien franZÄ¶sicher Hund
And the French dog blues
And the French dog blues by the French dog blues

Never surrender to flattery
Frown on, come down on duplicity
And above all things my son
Take the money and run

I still model lackluster panicky in vain search for the
remedy

No words only melody comes, I take another day off

Oh, this washes over you, my French dog blues
Chien Bleu Chien franZÄ¶sicher
Yeah, I see you

I only ever wanted the one with the flag
All you ever wanted was a sixty dollar bag
And a cheap limousine for your deep pile dreams on
the highway
On the highway, highway, oh

Chien Bleu franZÄ¶sicher Chien
That is the French dog blues
That is the French dog blues
That is the French dog blues
That is the French dog
