Fuck Forever

its one and the same its one and the same  
so whats the use between death and glory?  
i cant tell between death and glory?  
Happy endings no they never bored me  
Happy endings, they still dont bore me  
but They, they have a way  
a way a way to make you pay  
And to make you toe the line  
no i Sever my ties  
because I'm so clever  
But clever ain't wise  
and Fuck forever  
If you don't mind  
oh fuck forever  
if you dont mind oh dont mind i dont mind i dont mind  
whats the use between death and glory  
i cant tell between death and glory  
new labour and tory  
pergatory and oh happy families  
there one and the same one and the same  
no its not the same its not supposed to be the same  
you know bout that way the way they make you pay  
and the way they make you toe the line  
i sever my ties  
oh im so clever

but your not very nice  
so fuck forever  
if you dont mind  
im stuck forever  
in your mind  
your mind  
your mind  
you know bout that way  
to make you feel like shit and make you pay  
aaaaaaaaand to make you toe the line  
line i sever my ties  
well i never  
sever the ties  
and fuck forever  
if you dont mind

see im stuck forever  
im stuck in your mind  
your mind  
your mind  
theyll never play this on the radio  
no theyll never play this on the radio  
( weird screams)
