I am the rain  
Held in disdain  
Lotions and potions just add to my fame  
The rime that in Spain  
Fall on the plain  
The truth is I'm ruthless  
I can't be contained.

I'm the rain

My friend the wind  
To breath he is twinned  
Blow high or low high  
Tornadoes to spin

My mother the cloud  
In widow's black shroud  
Gives birth to the earth  
Before fields can be plowed

Up in the sky, we've demand to supply  
I am necessity, base of the recipe

I'm the rain

My cousin the snow  
Lays blankets below  
States that her flakes are  
The threads to the soul

My rival the sun  
Who ripens the plum  
Is feared and revered  
He gives sight to the gun

Up in the sky, we've demand to supply  
I am necessity, base of the recipe

Up in the sky, we've demand to supply  
I am necessity, base of the recipe

I am the rain, am the rain

I am the rain, who's held in disdain  
The truth is I'm ruthless, I can't be contained...
