Ohhh ohhh ohhhh  
Why would you pay to see me in a cage?  
And why would you pay to see me in a cage?  
Some men call the stage

Listen now I have gone  
You will know  
I was the only one that would have gladly died  
What was wrong in the eyes of the unwell and unwise

They killed a man for his giro today  
Wasn't very game, I didn't mind  
I wasn't a money man anyway  
They killed a man for his giro today

Why, would you pay  
Why, would you pay  
To see me in the cage  
Just a hole across the stage

And know  
When the night has gone  
You might say  
I was not the only the one that would've died  
What was wrong in the eyes of the cruel and unwise  
And they killed a man for his giro today  
On the off chance that you're listening  
To the radio  
I thought you might like to know you broke my heart  
You can only start to know or hedge your bets  
And take a chance you never get again  
All my ties, time and time  
I keep on trying hard not to try too hard  
When I forgive, I won't forget  
To killing time, so I'm better now  
I don't need it anymore  
Anything that makes you, feel hate  
Can do without hate  
Now I believe in love

Now I have gone  
Oh yeah, I will pay

For everything you've done  
What was wrong  
In the eyes of the unwell and unwise  
They killed a man for his giro today

Ohhh ohhh ohhhh
