Oh Paddy put the pipe down
If you got the right sound
If it's not the right sound
Neither am I, oh my oh my

Do your songs
Work out a fairer way
If it comes undone
Just paper over the cracks
And there ain't no turning back

Oh on The Sun
They make you out to be a tearaway
Comes undone
Ahh I just smoked a matt
And they want the money back

Ah put the pipe down
If you got the right sound
If it's the right sound
Oh my, oh my

Do your songs
Work out a fairer way
Can you play no fun
Oh what you think of that
Cause they wanted but...

You better pipe down
You got the right sound
Put the pipe down
Oh my, oh my, oh my

Na na-na na-na...

Oh Paddy put the pipe down
If you got the right sound
If it's not the right sound
Neither am I, oh my oh my

Oh Paddy put the pipe down

If you got the right sound
If it's the right sound
Oh my, oh my, oh my

Earlier Version

Paddy put the Pipe Down
If you've got the right sound
And if you're not alright now (that's ok)
Neither am I, oh my, oh my

Do your songs, without a peer my friend
If it comes undone, paper over all the cracks
And there ain't no turning back
Oh The Sun, they make you out to be a tearaway
They got it all wrong
But you've gotta give up crack
Or else they'll want their money back

Oh put your Pipe Down
If you've got the right sound
And if you're not alright now (that's ok)
Neither am I, oh my, oh my

Oh, you are not a tearaway
Can you play your songs?
Cause if you can't do that
Then they'll never cut you slack

Put the Pipe Down
Oh put your Pipe Down
If you've got the right sound
And if you're not alright now (that's ok)
Neither am I, oh my, oh my

Do your sums,
Work out a fairer way
Cause if you give up smack
Then we will all follow you back

Paddy put the Pipe Down
Oh put your Pipe Down
If you've got the right sound
And if you're not alright now (that's ok)
Neither am I, oh my, oh my

Paddy put your Pipe Down
If you've got the right sounds
And if you're not alright now (that's ok)

Neither am I, oh my, oh my
