Sedative

Sedative

Was my hero

Oh, it was

What's it really like now

It's been a long, long time since I've step outside

To the morning sun now

Would you take me out now?

Take me by the hand now

It's been a long, long time since I've step outside

To the morning sun

Sedative

Sedative

Was my hero

And I had a hit

[Incomprehensible]

Sedative

It was my hero

And I had a hit on it

What's it really like now

It's been a long, long time since I've step outside

To the morning sun now

Would you take me out now?

And I crawl along now

It's been a long, long time since I've step outside

To the morning sun

My faith in you

[Incomprehensible]

Yes, I got faith in you

What's it really like now

It's been a long, long time since I've step outside

To the morning sun now

Would you take me out?

And I crawl along now
It's been a long, long time since I've step outside
To the morning sun

My faith in you
Faith in you
My faith in you
