32nd Of December

Don't talk about it

Don't want to know about it

Arguing with you's no good

You'll be nobody's fool but you'll almost speak...

Don't let me know about it

Don't let me know about the 32nd of December

Oh, thats the night I'm trying so hard to forget

All you do is you come around and make me remember

What I try, oh that I, what I....

Still you talk about it

Still don't wanna know all about it

Anybody want tea?

Anybody, thank you, ah fuck me

But don't speak

And don't talk about it

Don't talk about the 32nd of December

Thats the night im trying so hard to forget

So all you do is you phone me, and I remember

Remember what I try

That I, what I...

You know that I...

You was a stickler for manners

So don't you say goodbye

No, not to a good old friend,

I get by, please

I get by

And get by

Argggh, so what you running from?

Still, ahh don't talk about it

Still, don't want to know about it

Don't want to know about it

The 32nd of December

Thats the night im trying so hard to forget

All you do is come around and make me remember
Remember what I try
What I, that I...

... nice reason, I'll go
But they'll never do
They'll never do
