Now here give pause for as you know
I've seen the wonders down below
The pants of under on the floor
You know I've seen that all before
Get in your pants I need not try
For pants as these will surely fly
Right off your waist into a ball
When open near the wailing wall
The shaking bed
The aching head
A good time will be had by all

Early in the mornin' you can see the signs
You catch me creepin' over just to get what's mine
It'll only take a minute if you got the time

'Cause I don't like it when you make me wait (shiver)
I don't like it when you make me wait (shiver)
I don't like it when you make me wait
Yeah I don't like it when you make me wait

I'm not the kind who likes to sneak around
But baby if your sleepin' I won't make a sound
It doesn't really matter if you turn around

'Cause I don't like it when you make me wait (shiver)
I don't like it when you make me wait (shiver)
Yeah I don't like it when you make me wait
Yeah I don't like it when you make me wait

So give me your mind
Pinochio wine
Pass me a lighter
Make me know
Throw me around
Tryin' to make it to the door
Maybe I'll have to wait some more
No one to make this world go sore
When it all goes down

Well at times it's hard to tell if I am still the one

With magic words a-dancin' on the tip of your tounge
Now babe I'll say I love you if it makes you warm

I don't like it when you make me wait (shiver)
I don't like it when you make me wait (shiver)
Yeah I don't like it when you make me wait
Yeah I don't like it when you make me wait

'Cause I don't like it when you make me wait (shiver)
I don't like it when you make me wait (shiver)
I don't like it when you make me wait
Yeah I don't like it when you make me wait
