Minolta devil explosure wide lens view  
Check for dentals and niggaz next to push tha Benz  
through  
You know the glow iced out rings long dough  
Spandex Mossino hoe bitches lettin they ass show  
I play the game took plenty paper still remain the same  
Asian name beval length chain lettin my piece hang  
Domestic no more crime play but still connected  
It's ethics calculated steps through geometrics  
Ways spinnin double Shades of base linin 97' expedition  
Disflavored all tha trimmins  
Travel light push tha LS on casual nights  
Have you ever puffed tha tallas weed pipe  
That shit will have you right  
I roll dice tryin to deforce from this cold life  
Used to sell coke on tha strip now I hold mic  
and plan soon to pack an vacate so were in Cancun  
Escape to a cozy estate filled wit mad rooms  
?? too many foul niggaz time to turn it up  
Push it by the buck and shift gears burn the clutch  
Cause it's like this for these chips I strike swift  
preciseness  
Precious jewels a life thats priceless  
I payed my dues and through it all I never trade my  
shoes  
Cash rules new crews who made the news  
We all for paper I guess greed is just a second nature  
Indeed shots an ?hebock? on weed to escalate ya  
Some mostly touch along the line crossed up  
I took tha short cut puffin on blunts bustin off nuts  
The night type love dime bitches and night life  
Casino dice sexy strip Dancers and white ice  
I seen the movie most of you niggaz couldn't move me  
Truly it's like a 6-shot ruger against an ozzie  
So bust ya run or cock back bust your gun but I fake  
none  
I remain like the sun bless tha stong livin  
Intellect an long vision connects in prison  
and real niggaz wit recognition  
so respect the mission volume one  
Second addition the next dimension  
Dotted line sign your deposition
