I may run and hide
When you're screamin' my name, alright
But let me tell you now
There are prices to fame, alright

All of our time spent in flashes of light

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life

Alright

Looking at the crowd
And I see your body sway, c'mon
Wishin' I could thank you
In a different way, c'mon

'Cause all of your time spent, keeps us alive

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life

Larger than life

All of your time spent, keeps us alive

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life

Yeah, every time we're down
Yeah, you can make it right
Yeah, and that's what makes you larger than life, yeah

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it right

And that makes you larger
And that makes you larger
And that makes you larger than life
