All, everything I have is for you

My name is Kev and I like the  
Type of girl who can love me for me  
A type of girl who I can hold in my arms  
And give her all that I have to give

And if you're that type of girl  
Then you're getting all of my love  
(My love, my love)  
That's right, baby

Hi, my name is Brian but you can call me B-Rok  
'Cause I'll be rockin' your house  
Nah, I'm just playing but on a real tip  
I like a serious girl  
Somebody who's gonna be smart  
A girl who even likes to even go to school

Yo Bri, stop lying

Now come on Nick, for real  
I like a girl who's got a good head on her shoulder

Yeah, right

Come on

My love, my love  
All my love is for you  
My love, my love  
I'm gonna give it to you  
My love, my love  
My love is all I have to give, baby

My name is Howie D and this is 'Howie', do it  
I like the type of girl that one day she'll become my wife  
We'll get married and she'll make me breakfast  
She'll make me lunch and my dinner  
I want bacon and egg, pancakes, orange juice  
Mash potatoes, turkey

Yo, yo, Howie, Howie, chill out Howie, Howie  
Yo my name's A.J., I like a type of girl  
Who'll let me do everything for her

Let me make you breakfast, let me make you lunch  
Let me make you dinner, baby  
But after that, just let me make you happy  
You see, Howie, that's how you gotta do it  
Howie, Howie, yo, yo, D

Yo, why do you diss me like that for

My love, my love  
All my love is for you  
My love, my love  
I'm gonna give it to you  
My love, my love  
My love is all I have to give, baby

My name is Nick and I like the type of girl that loves to  
go dancin'  
The type of girl that likes to move her body  
The type of girl that likes to shake what her mama gave  
her  
The type of girl that lets me hold her hand and then  
kiss her  
The type to let me take her to the movies and then kiss  
her  
The type to let me hold her so tight and then kiss her  
And kiss her and kiss her and kiss her, he, he

My love, my love  
All my love is for you  
My love, my love  
I'm gonna give it to you  
My love, my love  
My love is all I have to give, baby

My name is B-Rok  
And I'm gonna always love you

My name is A.J  
And I'm gonna always love you

My name is Howie  
Howie doin', sweetheart

My name is Nick  
And I will always love you

And baby, my name is Kev  
And I just want you to know that I will always love you  
Yes baby, no diggity

All I have to give  
Without you I don't think I can live  
Give the world to you  
But love is all I have to give
