I don't know what he does to make you cry  
But I'll be there to make you smile  
I don't have a fancy car  
To get to you I'd walk a thousand miles

I don't care if he buys you nice things  
Does his gifts come from the heart?  
I don't know but if you were my girl  
I'd make it so we'd never be apart

But my love is all I have to give  
Without you I don't think I can live  
I wish I could give the world to you  
But love is all I have to give

When you talk  
Does it seem like he's not even listening to a word you  
say?  
That's okay babe, just tell me your problems  
I'll try my best to kiss them all away

Does he leave when you need him the most?  
Does his friends get all your time?  
Baby please, I'm on my knees  
Praying for the day that you'll be mine

But my love is all I have to give  
Without you I don't think I can live  
I wish I could give the world to you  
But love is all I have to give to you

Hey girl, I don't want you to cry no more inside  
All the money in the world  
Could never add up to all the love  
I have inside, baby

And I will give it to you  
All I can give, all I can give  
Everything I have is for you  
[Incomprehensible]  
What I need, my love  
All that I have to give to you

My love is all I have to give  
Without you I don't think I can live  
I wish I could give the world to you  
But love is all I have to give

But my love is all I have to give  
Without you I don't think I can live  
I wish I could give the world to you  
But love is all I have to give to you

Ohh, all I have to give  
Without you I don't think I can live  
Give the world to you  
But love is all I have to give to you

But my love is all I have to give  
Without you I don't think I can live  
I wish I could give the world to you  
But love is all I have to give to you
