[Nick]

You see me sitting here, a smile upon my face  
The time has come but you know that it's not too late  
There's been too many things, together we have seen  
It's not too hard if we start to believe

[Brian]

And we're not gonna take anymore  
Can we try to erase all the pain  
So please

[chorus]

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life

[A]

This world is not at ease, we seem to hide the truth  
Thinking there's only so much we really can do  
It's up to you and me, to face our destiny  
The journey's here so let's take the stand

[Nick]

And we're not gonna take anymore  
Can we try to erase all the pain  
So Please

[chorus]

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life

[Howie]

Tell me why we have to cry  
(And I try)  
When there's so many things we can do  
To help this troubled

[Brian]

World start a new  
I need a reason, I need a sign  
There's no turning back I'm here by your side  
Is it today or maybe tonight?  
We'll find

The answer to our life

[Bridge]

Show me the way, give me the sign

Tell me the way we fall out of line  
Is it today, is it tonight  
The answer to our life

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We will find, the answer to our life

Show me a reason, give me a sign  
Tell me the way we, fall out of line  
Is it today or is it tonight?  
We'll find, the answer to our life
