It's undeniable... that we should be together...
It's unbelievable how I used to say that I'd fall never
The basis you need to know, if you don't know just how
I feel,
Then let me show you now that I'm for real...
If all things in time, time will reveal...
Yeah...

One... you're like a dream come true...
Two... just wanna be with you...
Three... girl it's plain to see... that your the only one for
me...
Four... repeat steps one through three...
Five... make you fall in love with me...
If ever I believe my work is done... then I start Back at
One (yeah)

So Incredible... the way things work themselves out...
And all emotional, once you know what it's all about
babe...
And undesirable... for us to be apart...
Never would of made it very far...
Cause you know you've got the keys to my heart
Cause...

One... you're like a dream come true
Two... just wanna be with you
Three... girl it's plain to see... that your the only one for
me
Four.. .repeat steps one through three
Five... make you fall in love with me
If ever I believe my work is done... then I start Back at
One.....

Say farewell to the dark of night... I see the coming of
the sun...
I feel like a little child... whose life has just begun...
You came and breathed new life
Into this lonely heart of mine...
You threw out the life line... just in the Nick of
Tiimmmeeee.....

One... you're like a dream come true
Two... just wanna be with you
Three... girl it's plain to see... that your the only one for
me... girl and...
Four... repeat steps one through three
Five... make you fall in love with me
If ever I believe my work is done... then I start Back at
One.
