Hmm, hmm
Haa, oh yeah

It's not that I can't live without you
It's just that I don't even want to try
Every night I dream about you
Ever since the day we said goodbye
If I wasn't such a fool
Right now I'd be holding you
There's nothin' that I wouldn't do
Baby if I only knew

The words to say
The road to take
To find a way back to your heart
What can I do
To get to you?
And find a way back to your heart

Ho, oh
Hmm
I don't know how it got so crazy
But I'll do anything to set things right
'Cause your love is so amazing
Baby you're the best thing in my life
(Ooo)
Let me prove my love is real
(Ooo)
And made you feel the way I feel
(Ooo)
I promise I would give the world
(Ooa)
If only you would tell me girl

The words to say
The road to take
To find a way back to your heart
What can I do
To get to you?
And find a way back to your heart

Give me one more chance

(Give me one more chance)
To give my love to you
(Give you my love, my love)
'Cause no one on this earth
Loves you like I do
Tell me

The words to say
The road to take
To find a way back to your heart
What can I do
To get to you?
(Get to you)
And find a way back to your heart

(Ahh)
I turn back time
To make you mine
And find a way back to your heart
(Help me find a way back to your heart)
I beg and plead
Fall to my knees
To find a way back to your heart

(These arms of mine)
The words to say
(The words to say)
(Will open wide)
The road to take
(The road to take)
(From now until the end of time)
To find a way back to your heart
(I gotta find a way, I gotta find a way)
(I gotta find a way, yeah, yeah)
(You are my world)
What can I do?
(What can I do?)
(Baby, baby, baby, baby, baby)
To get to you?
(To get to you)
(This heart of mine belongs to you)
And find a way back to your heart

Hmm, back to your heart
