Ao!
What were you thinkin'
When you went down?
It's kinda funny
Since we always stuck around
Yeah!
What were you doin'
What went so bad?
You and me togheter
And everything we had
Run into a future
Try not hiding from my past
I'm looking for tomorrow
And the next day just as fast
On...ly one...
Only lonely one
Paranoia mornings
Nightmares in my bed
To hard to fuckin' cry
So I'd rather sweat instead
Yeah!
No zero numbers
Just having fun
No time for seconds
I'm the only lonely one
Run into a future
Try not hiding from my past
I'm looking for tomorrow
And the next day just as fast
On...ly one...
Only lonely one
Never pull the trigger
Cause your finger's working best
Ao!
Run into a future
Try not hiding from my past
I'm looking for tomorrow
And the next day just as fast
You want it all
You do not want the rest
On...ly one...

Only lonely
You think you're bigger
With a trigger
