Backstreet Boys

Brick House

Shes a brick house

I said the lady's got it and thats a fact

Aint holding nothing back

Shes a brick house

Well work together, everybody knows

This is how the story goes

She knows shes got everything

That a woman needs, to get a man

How could she lose with the stuff shes got

36-24-36 oh what a winning hand

Shes a brick house

Shes mighty, mighty just letting it all hang out

Shes a brick house

I said the lady's got it and thats a fact

Aint holding nothing back

Shes a brick house

Yeah shes the one, the only one

Built like an amazon

Shake it down, shake it down now

Shake it down, shake it down now

Shake it!

Shake it down, shake it down now

Shes a brick house

Shes mighty, mighty just letting it all hang out

Shes a brick house

I said the lady's got it and thats a fact

Aint holding nothing back

Shes a brick house

Well work together, everybody knows

This is how the story goes

She's a brick

Ben, hit me one time

Bam

Ben, hit me two times  
Bam bam  
Ben, hit me four times  
Bam bam bam bam  
Ben, hit me 10 times  
Bam bam bam bam bam bam bam bam bam  
That was only nine times Bam Shes a brick house
