{Hello  
Hi, it's me what's up baby?  
I'm sorry listen, I'm gonna be late tonight, so don't stay  
up and wait for me ok?  
Where are you?  
Say that again you're really dropping out. I think my  
battery must be low Listen, if you can hear me, we're  
going to a place nearby alright gotta go!}

Let me tell you the story 'bout the call that changed my  
destiny  
Me and my boys went out just to end up in misery  
Was about to go home when there she was standing in  
front of me  
I said hi, I got a little place nearby, wanna go?  
I should've said no, someone's waiting for me  
But I called my girl up and said

Listen baby I'm sorry  
Just wanna tell you don't worry  
I will be late, don't stay up and wait for me  
I say again you're dropping out my battery is low  
Just so you know, we're going to a place nearby  
Gotta go!

Now two years gone, nothin' is been won  
I can't take it back, what's done is done  
One of her friends found out that she wasn't my only  
one  
And it eats me from inside that she's not by my side  
Just because I made that call and lied

Listen baby I'm sorry  
Just wanna tell you don't worry  
I will be late, don't stay up and wait for me  
I say again you're dropping out my battery is low  
Just so you know, we're going to a place nearby  
Gotta go!

Let me tell you the story 'bout the call that changed my  
destiny
