(Ooh)

There is something special  
About this time of year  
The Christmas feeling's everywhere  
I just got home to join you

I've been away too long  
(Been away too long)  
But now I'm back to share my love  
Friends are reunited, one big family  
Filled with love to last throughout the year

Christmas time  
Time to share our love  
Come and joy  
The tiding's to the world

Christmas time  
The best time of the year  
Yes, it's Christmas time

You and me together  
A sleigh ride in the park  
A loving kiss straight from my heart  
(Straight from the heart)

Snowflakes are falling gently  
The smell of chestnuts in the air  
And Christmas lights they gleam  
Across the sky  
(Oh, oh, oh, it's Christmas time)

Christmas time  
Time to share our love  
Come and joy  
The tiding's to the world

Christmas time  
The best time of the year  
Yes, it's Christmas time

Do you remember?

(Do you remember?)  
Everything felt so right  
When I held you close to me  
Do you remember?  
Those cold Christmas nights  
When we saved the world in harmony

Christmas time  
Time to share our love  
Come and joy  
The tiding's to the world

Christmas time  
The best time of the year  
Yes, it's Christmas time  
(It's Christmas for all the boys and girls)

(Christmas time, time to share our love)  
(Come and joy, the tiding's to the world)
