[Chorus:]

Don't leave me
Cuz you need me
I never wanna be without you

[2x]

I woke up this mornin'
From a dream
That you were sayin' goodbye
We had simple argument
But not enough to keep out
Each other's lives

[Bridge:]

I wanna be happy
But I can't be happy
If I can't be with you
Cuz you're my baby
My sweet honey
And no other girl will do

[Chorus]

I can't seem to figure out
Just what went wrong with us
You must have thought I was selfish
But everything I did
I did for us

[Bridge]

[Chorus]

[Bridge 2:]

I can't eat or even sleep
'Til I have you
Back inside my world

My life won't be complete
Unless you stay my girl

[Chorus (2x)]

Come on girl let me break it down

Don't leave me girl

Don't leave me

Don't go

[3x]

Don't leave me girl

Don't leave me

Ooooh (don't leave)

Don't leave me girl

Don't leave me

Don't go

[3x]

Don't leave me girl

Don't leave me

Ooooh

[Chorus (2x)]

Don't leave

Don't leave me girl

Don't leave me

Don't go

[3x]

Don't leave me girl

Don't leave me

Ooooh (don't leave)

Don't leave me girl

Don't leave me

Don't go

[3x]

Don't leave me girl

Don't leave me

Ooooh
