Ohh

I never thought that I would lose my mind
That I could control this
Never thought that I'd be left behind
That I was stronger than you
(Baby)
Girl if only I knew what I've done, you know
So why don't you tell me?
(And I)
I would bring down the moon and the sun
To show how much I care

Don't wanna lose you now
Baby, I know we can win this
Don't wanna lose you now
No, no, or ever again

I've got this feelin', you're not gonna stay
It's burning within me
The fear of losing
Of slippin' away
It just keeps getting closer
(Baby)
Whatever reason to leave that I've had
My place was always beside you
(And I)
Wish that I didn't need you so bad
Your face just won't go away

Don't wanna lose you now
(Don't wanna lose you)
Baby, I know we can win this
Don't wanna lose you now
(Don't wanna lose you now)
No, no, or ever again
Don't wanna lose you now
(Don't wanna lose you now)

I never thought that I would lose my mind
That I could control this, yea
Never thought that I'd be left behind

That I was stronger than you, ohh

Don't want to lose to loneliness

(Ohh)

Girl I know we can win

Don't want to lose to emptiness

(Yea)

(Oh no)

Ever again

Don't wanna lose you now

(Don't wanna lose to loneliness)

(No way)

Baby, I know we can win this

(Girl I know we can win this)

Don't wanna lose you now

(Don't wanna lose you now)

No no, or ever again

(We just begun this)

Don't want to lose you now

(Oh we know we can win this)

Don't want to lose you

(Don't wanna lose you, yea)

No, no, forever again

Don't wanna lose you now
