"Dream Of Me"

Let me sleep
For when I sleep I dream that you are here
You're mine
And all my fears are left behind

I float on air
The nightingale sings
Gentle lullabies
So let me close my eyes

And sleep perchance to dream
So I can see the face I long to touch
To kiss
But only dreams can bring me this

So let the moon shine softly on
The boy I long to see
And maybe when he dreams
He'll dream of me

I hide beneath the clouds
And whisper to the evening star
They tell me love is just a dream away, dream away,
dream away, dream away
I'll dream away

So let the moon shine softly on
The boy I long to see
And maybe when he dreams
He'll dream of me

Ohhhh, dream of me
