Don't pretend your sorry
I know you're not
You know you got the power
To make me weak inside
And girl you leave me breathless
But it's okay
Cause you are my survival
Now hear me say

Bridge:
I can't imagine
Life without your love
And even forever
Don't seem like long enough

Chorus:
Cause everytime I breathe I take you in
And my heart beats again
And baby I can't help it
You keep me drowning in your love
Everytime I try to rise above
I'm swept away by love
And baby I can't help it
You keep me drowning in your love

Maybe I'm a drifter
Late at night
Cause I have known the safety
Of floating freely in your arms
I don't need another lover
It's not for me
Cause only you can save me
Oh can't you see

Bridge:
I can't imagine
Life without your love
And even forever
Don't seem like long enough

Chorus:

Cause everytime I breathe I take you in
And my heart beats again
And baby I can't help it
You keep me drowning in your love
Everytime I try to rise above
I'm swept away by love
And baby I can't help it
You keep me drowning in your love

Go on and pull me under
Cover me with dreams
Love me mouth to mouth now
You know I can't resist
Cause your the air that I breathe

Everytime I breath I take you in
And my heart beats again
And baby I can't help it
You keep me drowning in your love
Everytime I try to rise above
I'm swept away by love
And baby I can't help it
You keep me drowning in your love

Baby I can't help it
You got me drowning
Got me drowning
You keep me drowning your love
Baby I can't help it (can't help it, can't help it, no)
Got me drowning

Chorus:
Cause everytime I breathe I take you in
And my heart beats again
And baby I can't help it
You keep me drowning in your love
Everytime I try to rise above
I'm swept away by love
And baby I can't help it
You keep me drowning in your love
