Well, you've been on top of the world
At least that's what I've heard
I gotta ask you one more time
I can't sleep when you're around
And I don't care how sick you sound
I gotta ask you one more time
He was a friend of mine
Couldn't make it been shut down

Everywhere I turn
All the evidence burn
Dysfunctional Professional

Now you're really in the dirt
Yeah you said that you've been hurt
I gotta ask you one more time
Do you sleep with one eye open
You deserve to be this broken
I gotta ask you one more time
He was a friend of mine
Couldn't make you, been shut down

Everywhere I turn
All the evidence burn
Dysfunctional Professional
But everywhere I go
All my confidence grow
Dysfunctional Professional

She dragged me down in your dirt
I was told the world
But received the hurt
You're so Professional
Dysfunctional

Everywhere I turn
All the evidence burn
Dysfunctional Professional
But everywhere I go
All my confidence grow
Dysfunctional Professional

Everywhere I turn
All the evidence burn
Dysfunctional Professional
Everywhere I go
All my confidence grow
Dysfunctional Professional

Everywhere I turn
All my confidence grow
Dysfunctional Professional
