Ohhhh Ohhhh

Late at night you call on the phone
We talk about the day
when you found out he was cheating
You tell me that it hurts to the bone
To trust someone that way
To find out he was deceiving
And I know I've always just been your friend
But if you look my way I'll make sure that you'll never
hurt again

Do you know I exist
Just to promise you this
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear
Endlessly to be true to you
And if you'd only see
How beautiful you and I would be
Endlessly

Ohhh ohh yea
I remember when you fell in love
I could not believe
that it was not with me
I said a secret prayer up above
And put my heart away
So that you could be free

And I know right now your broken in two
But did you know my hearts been broken since the day
i met you

Do you know I exist
Just to promise you this
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear
Endlessly to be true to you
And in my sweetest dream you'd learn to put your faith
in me

Endlessly

Sometimes the thing you need is the one thing you
can't see
If you put your faith in me
How beautiful you and I would be

Do you know I exist
Just to promise you this
Endlessly to be true to you
And if you answer my prayer
I'd cross my heart and I'd swear (I'd swear)
Endlessly to be true to you
And if you'd only see
How beautiful you and I would be
Endlessly
