"Hello?"

"Hi baby what's up? I'm sorry, listen, I'm gonna be late tonight, don't stay up and wait for me."

"Where are you?"

"Wait, say that again."

"Hello?"

"You ain't reachin me now, I think my battery must be low, Listen if you can here me we're gonna be at a place nearby, gotta go."

Let me tell the story bout the girl that changed my destiny

Me and my boys went out just to end up in misery
Were about to go home when there she was standing in front of me

She said "Hi, I got a little place nearby, wanna go?"

I should've said no
Someones waiting for me
But I told my girl I'm Innocent

Chorus: Listen baby I'm sorry
Just wanna tell you don't worry
I will be late don't stay up and wait for me

I say again your dropping out
My battery is low
just so you know
We're going to a place nearby
Gotta go

Now tears are gone whats done is done
If one of her friends found out
She wasn't my only one
And it eats me from inside
That shes not by my side
Just because I made that goner

Chorus

Listen baby I'm sorry
(oh, oh, oh)

Listen baby I'm sorry
(oh, oh, oh)
Gotta go

Let me tell you the story bout the girl who changed my
destiny
Me and my boys went out just too end up in misery
Was about to go when there she was standing in front
of me
She said "Hi"
"I gotta little place nearby, wanna go"

Chorus 2x
