Ooh...Woo...

I could tell when I step in the room and I saw you
standing there
There ain't no doubt about the way that you move
I couldn't help the way I stare
There was some mysterious force
leading me here to you (lead me to you)
Lead me to you

So I stood there watchin' and I was hypnotised
About the rythm of your body and the music in your
eyes
And I was lost inside your world with you (Ohh..)

CHORUS:Hey Mr DJ keep plain' this song for me
Out on the floorin my arms she's gotta be
Let's get it on, jam all night long
Mr DJ, Mr DJ (play it play it play it for me)
Ohhh....Ohhh...

Now it feels like it could be romance (As we dance)
*As predict across the floor
Every move that your body makes
Only makes me want you more
And it seems like the song's moving fast
How can we make it last (make it last)
Make it last, so how

As you keep on dancing I am hypnotised
About the rythm of your body
And the music in your eyes
I was lost inside your world with you (with me)Ohhh....

CHORUS

Close your eyes and imagine the song now
Let the music put you in us all (yeah)
I get lost, lost inside the groove with you
Will you do the bits you do
Come on in, work your body, work your body

Hey, Mr DJ, jam all night long
Hey, Mr DJ play that song for me (REPEAT THIS VERSE)

CHORUS (x2)

Keep it coming, Mr DJ...(REPEAT TO FADE
