I wake up every morning and see your face  
lying right beside me it fills the space  
in my heart  
I can't live without you  
don't wanna figure right how to  
and everytime I lay my head down to sleep  
the emptiness inside of me starts to beat  
so loud  
I can't hear the sound  
do you hear it?  
for you

I fall in love all over again  
each time  
I lay my eyes on you  
I pretend  
I feel so helpless  
without you  
feel so helpless  
without you  
It takes a piece of me  
each time you leave  
I feel it in my chest  
so hard to breathe  
I feel so helpless  
without you  
I feel so helpless  
without you

I witness every trick you got up your sleeve  
but still somehow you keep on surprising me  
I'm yours  
I can't live without you  
Don't wanna figure right how to  
Every time I see you I feel like I  
could be the luckiest man in the world  
Why try to fight it  
There's no need to hide it  
because  
you know

I fall in love all over again  
each time  
I lay my eyes on you  
I pretend  
I feel so helpless  
without you  
feel so helpless  
without you

It takes a piece of me  
each time you leave  
I feel it in my chest  
so hard to breathe  
I feel so helpless  
without you  
I feel so helpless  
without you

Feels like  
I fall apart  
every time  
Where do I start  
I'm so helpless  
without you  
without you

Everytime I close my eyes  
you're the first thing that runs to my mind  
Everywhere I go  
I see you  
hear you  
feel you  
I just wanna be near you  
and heal? you  
Last thing you said is how dare you  
First thing I said is I'm sorry  
Now I'm sitting here  
helpless  
man  
Same old story

Now she's brokenhearted  
Time heals all the wounds  
She said  
Not this time  
It's true  
Everyone plays a fool  
And that fool is me  
Because I foolishly  
took advantage of a woman who loved me

I fall in love all over again  
each time  
I lay my eyes on you  
I pretend  
I feel so helpless  
without you  
feel so helpless  
without you  
It takes a piece of me  
each time you leave  
I feel it in my chest  
so hard to breathe  
I feel so helpless  
without you  
I feel so helpless  
without you  
  
ohh yeah
