[A]

She keeps her secrets
In her eyes
She wraps the truth
Inside her lies
Just when I can't say
What she's done to me
She comes to me
And leads me back to paradise

She's so hard to hold
But I can't let go

[Chorus]

I'm a house of cards
in a hurricane
A reckless ride
In the pouring rain
She cuts me and the pain
Is all I wanna feel
She'll dance away just like a child
She drives me crazy

Drives me wild
But I'm helpless when she smiles

[Howie]

She smiles

[Brian]

Maybe I'd fight if I could
It hurts so bad
But feels so good
She opens up just like
A rose to me
When she's close to me
Anything she'd ask me to
I would

It's out of control
But I can't let go

[Repeat Chorus]

When she looks at me
I get so weak

[Repeat Chorus]
