I could tell when I stepped in the room
And I saw you standing there
And I thought by the way that you move
I couldn't help the way I stared
There was some mysterious force
Leading me here to you, lead me to you

So I stood there watching
And I was hypnotized
By the rythum of you body
And the music in your eyes
And I was lost inside your world with you

Hey Mr. Dj keep playin' this song for me
Out on the floor in my arms she's gotta be
Let's get it on, jam all night long
Mr. Dj, Mr. Dj please play it for me

Now it feels like it could be romance
As we dance across the floor
Every move that your body makes
Only makes me want you more
And it seems like time's movin' fast
How can we make it last, make it last somehow

As we keep on dancing
I am hypnotized
By the rythum of your body
And the music in you eyes
And I was lost inside your world with you

Hey Mr. Dj keep playin' this song for me
Out on the floor in my arms she's gotta be
Let's get it on, jam all night long
Mr. Dj, Mr. Dj, play it, play it, play it for me

Close your eyes
And imagine, just imagine
Let the music let you reverse on, yeah

I get lost, lost inside a girl
When you do the things you do

Come on and work your body, work your body

Hey Mr. DJ, jam all night long
Hey Mr. DJ, play that song for me
Hey Mr. DJ, jam all night long
Hey Mr. DJ, play that song for me

Hey Mr. DJ keep playin' this song for me
Out on the floor in my arms she's gotta be
Let's get it on, jam all night long
Mr. DJ, Mr. DJ, play it, play DJ

Hey Mr. DJ keep playin' this song for me
Out on the floor in my arms she's gotta be
Let's get it on, jam all night long
Mr. DJ, Mr. DJ play it, play it, play it for me DJ

Keep it goin' Mr. DJ
Keep it goin' Mr. DJ
Keep it goin' Mr. DJ
