Remember when
We never needed each other
The best of friends
Like sister and brother
We understood
We'd never be
Alone

Those days are gone
Now I want you so much
The night is long
And I need your touch
Don't know what to say
Never meant to feel this way
Don't wanna be alone tonight

CHORUS

What can I do to make you mine
Falling so hard, so fast this time
What did I say, what did you do
How did I fall in love with you

I hear your voice
And I start to tremble
Brings back the child
That I resemble
I cannot pretend
That we can still be friends
Don't wanna be alone tonight

CHORUS - repeat

I wanna say this right
And it has to be tonight
Just need you to know
I don't wanna live this lie
I don't wanna say goodbye
With you I wanna spend the rest of my life

CHORUS - repeat

What can I do to make you mine
Falling so hard, so fast this time
Everything's changed, we never knew
How did I fall in love with you
