Who are you now? Are you still the same?  
Or did you change somehow?  
What do you do  
At this very moment when I think of you?

And when I'm looking back  
How we were young and stupid  
Do you remember that?

No matter how I fight it  
Can't deny it  
Just can't let you go

I still need you  
I still care about you  
Though everything's been said and done

I still feel you  
Like I'm right beside you  
But still no word from you

Now look at me  
Instead of moving on, I refuse to see

That I keep coming back  
Yeah, I'm stuck in a moment  
That wasn't meant to last

(To last)

I try to fight it  
Can't deny it  
You don't even know

That I still need you  
I still care about you  
Though everything's been said and done

I still feel you  
Like I'm right beside you  
But still no word from you

I wish I could find you  
Just like you found me  
Then I will never let you go  
(Without you)

Though everything's been said and done  
(Yeah)  
I still feel you  
(I still feel you)  
Like I'm right beside you  
(Like I'm right beside you)  
But still no word from you  
(Still no word)
