I swear by the moon and the stars in the skies  
And I swear like the shadow that's by your side

I see the questions in your eyes  
I know what's weighing on your mind  
You can be sure I know my part  
Cos I stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes  
I'll never break your heart

And I swear by the moon and the stars in the skies, I'll  
be there  
I swear like the shadow that's by your side, I'll be there  
For better or worse, til death do us part  
I'll love you with every beat of my heart, and I swear

I'll give you everything I can  
I'll build your dreams with these two hands  
We'll have some memories on the walls  
And when just the two of us are there  
You won't have to ask if I still care  
Cos as the time turns the page my love won't age at all

And I swear by the moon and the stars in the skies, I'll  
be there  
I swear like the shadow that's by your side, I'll be there  
For better or worse, til death do us part  
I'll love you with every beat of my heart, and I swear

I swear by the moon and the stars in the skies, I'll be  
there  
I swear like the shadow that's by your side, I'll be there  
For better or worse, til death do us part  
I'll love you with every beat of my heart, and I swear
