Don't say a word
I understand
You wanna know
If I'm still your man

Girl, can't you tell
By the touch of my hand
I'm gonna please you
Every way that I can

I'll hold you
(Hold you)
Love you
(Love you)

I'll never let your love go
(Let you go, let you go)
For always
(For always)

I'll stay
(I'll stay)
Just look in my eyes
And you'll know

Baby, I'll be there for you
Wherever you go, whatever you do
Girl, I've got forever insight
For all of my life, I'll be there for you

Don't ever doubt
Your trust in me
I'll give you my heart
So honestly

Deep in my soul
Baby, you'll find the truth
I'll never change
Girl, I promise you

I'll hold you
(Hold you, baby)

Love you
(Love you, lady)

I'll never let your love go
(Let you go, let you go)
For always
(For always)

I'll stay
(I'll stay)
Just look in my eyes
And you'll know

I'll be there for you
Wherever you go, whatever you do
Hey girl I've got forever insight
For all of my life, I'll be there for you

Nothing and no one can tear us apart
(Tear us apart)
You'll always be here inside of my heart
(Inside of my heart)

And just as sure
As the stars shine above
No matter what happens
You can count on my love

I'll be there for you
Wherever you go, whatever you do
Hey girl I've got forever insight
For all of my life, I'll be there for you

I'll be there for you
(When the morning comes)
Wherever you go
(When the evening falls)

Whatever you do
(I'll be there, baby, girl)
Girl I've got forever insight
For all of my life, I'll be there for you

I'll be there for you
(I'll be there)
(Never going away)
Wherever you go

(I'll be there beside you)
(Whatever you do)
(I'll never leave you girl)
