I'll never findâ€¦
I'll never find someone like you

Girl, you take my breathe away
And when I want someone new, I'd rather be here with
you
Baby, foreverâ€¦
My heart belongs to you, cause I think about you all the
time
I know my love is true when we're together
I played around girl, and I made you cry
When I looked up you were saying goodbye
I begging you please, I need you so bad
Don't leave me now, you're the best that i've had

Chorus:
I'll never, I'll never find someone like you
I promise this is true, no i'll never
I'll never find someone like you
Cause I love, the way that you are
And girl, I won't, no I won't let you go
No one could ever do, love you like I love you

All I have is just my heart and my feelings I give to you
That's all that I can do girl, baby forever
Oh, you don't know that you're hurting me
Cause it's not just a sexual thing
I wanna share my dreams, baby together
Girl i'm afraid to give you the word
My heart still it needs to hold on to my love
But when you get close, I want you to know
I start to get weak and I can't let you go

(Chorus)

Just your smileâ€¦That's all I need
Tenderness...Girl, I won't let you down
Girl, I will never find no one that compares to you

Chorus x2

I'll never find someone like you
